

Renelle Everett Darr

Transforming Leadership at the Edge of What's Next

Speaking. Workshops. Retreats.

Meet *Renelle*

In a world that's changing faster than most leaders can process, Renelle Everett Darr brings the clarity, presence, and frameworks needed to lead through complexity.

A seasoned executive advisor and transformation strategist, she speaks from deep personal evolution and 20+ years at the intersection of strategy, culture, and leadership.

Renelle *transmits a new frequency of leadership* that meets the moment we're in: one of breakdowns, breakthroughs, and systemic rebirth.

Whether guiding Fortune 500 teams, founders, or mission-driven leaders, Renelle helps people see what they couldn't before, and lead from a place they didn't know they had.

Renelle Everett Darr is the founder of InSight, a consultancy focused on evolving leadership and systems from the inside out. A former consultant with EY, Deloitte, and The North Highland Company, she partners with organizations, executive teams, and founders navigating complexity, transformation, and purpose.

SIGNATURE TOPICS

Leading From Within: Why Inner Work Is a Strategic Advantage

Renelle breaks down the core of conscious leadership and why outdated models rooted in control and performance no longer work. Learn what's replacing them and how to evolve your leadership from the inside out.

Leading Forward: Women Redefining Power, Presence & Purpose

Explore the unique influence and insights women bring to evolving leadership paradigms.

Emotional Intelligence is Your Edge: Cultivating Awareness & Connection

As AI rises, emotional intelligence becomes the human edge. Renelle shares how to cultivate deeper awareness and authentic connection—personally and organizationally.

The Sherpa Way: Thriving in Uncertain Terrain

Inspired by Sherpa wisdom and the challenges of high-altitude trekking, this interactive session explores five essential leadership practices for navigating uncertainty, building trust, and leading with resilience.

InSight has continuously brought high-impact, creative and experiential programs to our leadership Summit where we gather 600 members of our senior leadership annually. InSight is a partner with the ability to bring us fresh ideas and thought leadership.

Audiences Walk Away With:

- A fresh perspective on leadership in uncertain times
- Concrete practices to integrate self-awareness into strategic decision-making
- Permission to lead more powerfully without losing their humanity

Renelle helped us get to the meat of conversations much quicker. We have deeper trust as an executive team. It comes down to leaders being the most whole, authentic people they can be.

Ross Brooks, CEO
Mountain Family Health Centers

Renelle helped us discover things we hadn't thought about before. Instead of looking at the world in a binary way, there might be a third option, Renelle is that third option.
